

**Complete set for
emergency deployment for flooding.**

FLUT-SET

Application

In the event of sudden flooding, the flood emergency kit is ready for use in just a few simple steps and reliably pumps in penetrating water from basements, garages, etc.

Easy handling: Just put the flood emergency kit on the ground, connect hose and coupling, connect the power supply and the pump starts its operation. The compact, lightweight and robust submersible pump conveys drainage water, even with coarse solids and fibers up to 20 mm in diameter. The flow of the medium delivered around the motor ensures sufficient cooling, even with extremely low water level.

The HOMA Flood Emergency Kit consists of:

- Submersible drainage pump type Bully C150 WA with automatic float switch.
- 10 m of fabric hose Ø 38 mm with C-coupling
- Carrying cage for transport, storage and for protection of sludge during the operation

Pumped medium: Clear- and drainage water containing solids up to 20 mm particle size.

Max. temperature of pumped medium: 35°C, for brief periods up to 60°C.

Operating mode: Continuous operation.

Technical data

Type	Motor input P ₁ (kW)	P ₂ (kW)	Voltage 50 Hz (V)	Nominal current (A)	Discharge	Weight (kg)
Flut-Set	0,75	0,38	230/1Ph	3,5	G1 1/4	11,2

Rotational speed: 2850 rpm

Pump design

Submersible drainage pump with jacket cooling.

Impeller: Open multi channel impeller, free passage 20 mm.

Motor: Single-phase electric motor.

Thermal sensor for temperature monitoring in the winding. Insulation class F. Protection rating IP 68. Stainless steel motor shaft, lifetime-lubricated roller-bearings.

Shaft seal: 3 shaft sealing rings

Scope of supply

- Pump with float switch, backflow preventer, locking clip for float switch, discharge with C-coupling, 10 m of connecting cable with mains plug.
- 10 m fabric hose Ø 38 mm with C-coupling
- Carrying cage

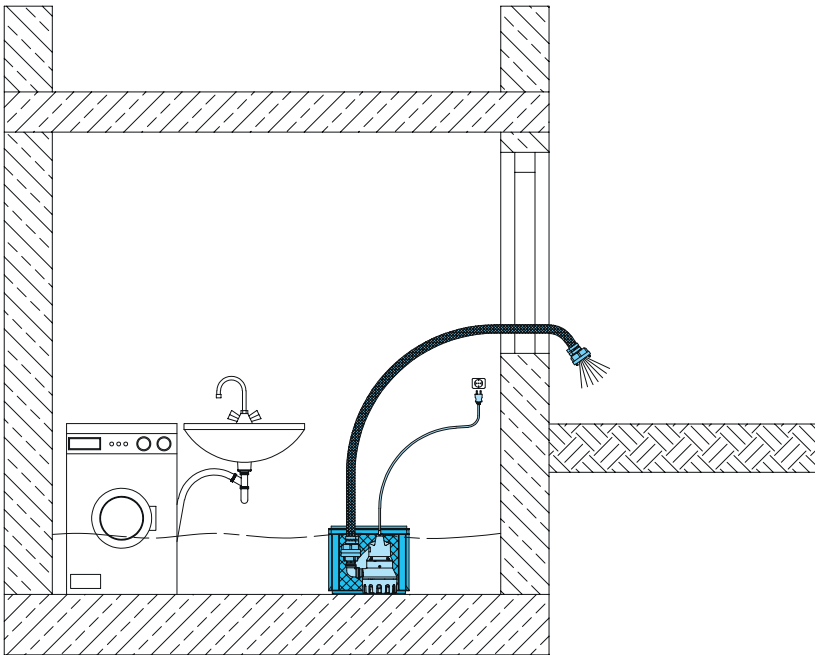

Materials

Motor housing, screws	Stainless steel
Pump housing, suction sieve, impeller	Glass fibre reinforced plastic
Elastomers	NBR
Carrying cage	Polypropylene

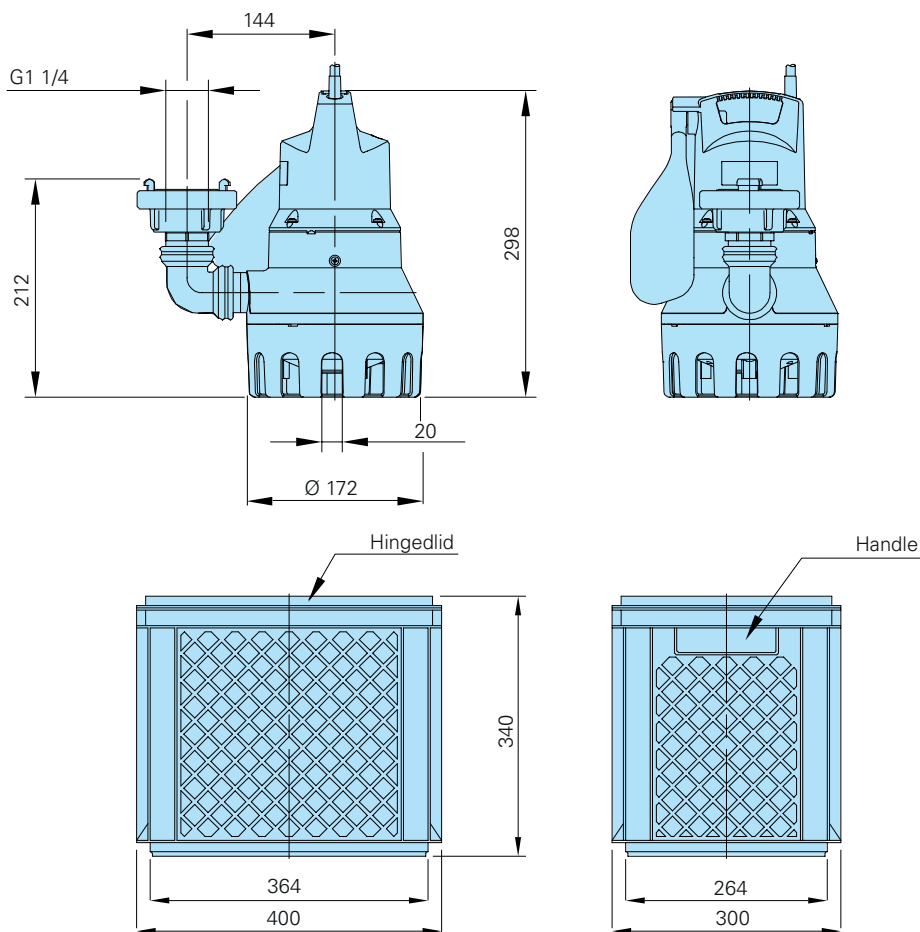

Type Part no.
